Friends of Hartman Reserve

The Friends of Hartman Reserve was established in 1986. Over the years, the Friends of Hartman have raised nearly \$1 million dollars and have established an endowment fund to provide income for Hartman Reserve Nature Center well into the future. The Friends were an integral part of the planning and construction of the East Wing of the Hartman Reserve Nature Center (debuting in February 2018), and have volunteered countless hours in supporting the programs and events at HRNC Center. The Board currently meets the second Tuesday of each month at 5:30pm at Hartman Reserve Nature Center.
