You can honor a family member, friend, organization, or business by purchasing a 4" x 8" or 8" x 8" brick to be part of the landscape of our bird display behind the West Wing of the Interpretive Building. Order your brick with text engraving of your choice--you can even include one of several graphics such as a butterfly or bird silhouette. Your brick will be installed in the path of the bird display (a.k.a. Pollinator Parkway) starting in Spring of 2021. The funds raised through this project will help feed all of the neighborhood birds that live here and support the maintenance of the display. What a wonderful holiday gift! Call 319-277-2187 with any questions.
